THE COLLUM SIDEBOARD COLLECTION

PBJ DESIGNHOUSE 1968

Collum sideboard collection

designed by Morten Svendsen

The Collum sideboards, highboards and display cabinets represent a comprehensive range of cabinets in a soft organic design. All cabinets have a drinks/storage compartment on both sides with curved wooden doors fitted with a magnetic catch.
You can choose the series with eighter sollid wood legs H: 20 cm or a plinth H: 8 cm, both with adjustable feet.
All doors and drawers are with soft-closing and the glass doors with push-release. The glass cabinets can be ordered with LED lights with sensor and dimmer.
All cabinets are also beautifully veneered at the back,
which means they can be free standing

Enjoy.
